ABOUT ME

Hello there! My name is Azar Ahmadov, and I'm a frontend developer located in Baku. I am interested in information technology, and I enjoy searching for new information in this field. I'm open to new opportunities, and I like to work on improving myself.

WORK EXPERIENCE

Front-End React.js & Next.js Developer April 2023 - Present **esam-innovations.com**

- I have established the "Fastest Service - (Ən Tez Xidmət)" project using the latest technologies, and this project is currently operational both at Heydar Aliyev Airport and at Dost Agencies, serving people's needs.
- Developed more than 10+ websites using the latest frontend technologies.

Front-End Developer Intern February 2023 - April 2023 **proton.az**

- I developed modern web applications using React.js and Next.js
- I applied UI/UX design principles to enhance user experience.
- I made web applications mobile-responsive and conducted browser compatibility testing

Front-End Teacher April 2022 - June 2022 **Azerbaijan Public Employment Agency**

I gave a 60-hour frontend training at the Azerbaijan Public Employment Agency. I taught basic HTML, CSS, and JavaScript technologies.

Front-End Developer March 2021 - March 2022 **Remote**

During my remote work period, I primarily used HTML, CSS, Sass, Bootstrap, and JavaScript technologies. Some of the projects I worked on include:

- seesawprotocol.io
- tonnyblack.com.tr
- medresetuzzehra.com
- makonu.vercel.app
